Full Members

Persons having the following tertiary qualifications may apply to the Council to be admitted as Full Members of the Association:

- ⇒ AHPRA-registered, accredited medical practitioners.
- ⇒ AHPRA-registered, accredited medical dentists.
- ⇒ AHPRA-registered, accredited physiotherapists.
- ⇒ persons registered in Australia or New Zealand as veterinarians
- ⇒ retired members of those professions listed above.
- ⇒ persons of PhD status, or equivalent as may be defined by the Council from time to time, who do not otherwise qualify for Full Membership but whose demonstrable experience or expertise in the fields of laser medicine, photobiomodulation or allied sciences is, at the unfettered discretion of the Council, deemed to be advantageous to the attainment of the objects of the Association.

Full Members have voting rights, and are eligible for election to Council and as Office Bearers.

General Members

The following persons may apply to the Council to be admitted as General Members of the Association:

- ⇒ AHPRA-registered, accredited health practitioners who do not meet the minimum eligibility requirements for Full Membership.
- ⇒ persons engaged in teaching accredited courses of tertiary study leading to entry into those professions eligible for Full Membership and who themselves may not meet the minimum eligibility requirements for Full Membership.
- ⇒ scientists, engineers and technicians involved in the study, support, regulation or advancement of laser medicine, photobiomodulation or allied sciences.

General Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.

Student Members

The following persons may apply to the Council to be admitted as Student Members of the Association:

- ⇒ persons pursuing a course of study leading to entry into the professions which qualify for Full Membership.

Student Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.

Corporate Members

The Council may, at its unfettered discretion, admit to Corporate Membership any organization or individual involved in the business or industry of laser medicine, photobiomodulation or allied sciences. Corporate Members may nominate one representative, who does not meet the membership requirements of any other class, to become a General Member.

Corporate Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.
